Star Performance provides a safe first learning environment in which all children are special. In an attractive and safe setting, caring adults work with children to help them develop socially, emotionally, physically, and intellectually. With planned activities and with encouragement and guidance from the teacher, children learn about themselves, and their relationship to others.

Health

Current immunizations should be accomplished prior to attending preschool. A copy of the records needs to be turned in prior to attending school.

Children with flu or cold type symptoms-colored nasal discharge, fever, nausea or diarrhea- must be symptom free for 24 hours prior to returning to school.

If your child contracts a contagious disease (ex. Strep throat, chicken pox) notify the teacher ASAP so other parents can be notified.

Please call the office if your child is going to be absent.

◆
Toys

Please do not bring toys from home. It's hard for little ones to share their special toys.

Clothing

Please dress your child in play clothes. We will be doing arts & crafts and they are little-spills happen! If your child wears diapers please send along extras & wipes in their bag. We do not schedule diaper changes-but if your child is dirty we will change them. An extra set of pants are also a good idea.

◆
Extended Care

Hours: Mon-Fri 7:30-9:15am, 3:30-6:30pm

Rate: \$4/hour

◆
Fitness Activities

Our preschool is unique in that we have 2 full service studios & 1 full gymnastics gym. This gives our preschoolers many opportunities. They will receive weekly classes in a variety of structured fitness activities.

Examples: Gymnastics, dance, tae kwondo, tennis, golf
